Sir David's new concerns over climate change

FAILURE to tackle climate change will bring great "social unrest" and increased pressure from immigration, Sir David Attenborough has warned.

The veteran TV naturalist (above) told MPs that dealing with environmental problems will cost money and will require changes to people's lifestyles – in their diet and with air travel, where the cost of flights will have to go up.

But there are "huge opportunities" for making profits and benefiting from new innovations, he said. Sir David, 93, said: "If the world climate change goes on, it is going to be facing huge problems with immigration."

"Large parts of Africa are going to be even less inhabitable than now, and there will be major upsets in the balance between our national boundaries."

School uniforms to be 'gender-neutral'

SCHOOL uniforms in Wales are to become more affordable, accessible and gender-neutral, the Welsh Government announced.

The new guidance comes into force from September 1 and governing bodies will be expected to consider ways of keeping down the costs of uniforms.

These could include stipulating basic items and colours but not styles, meaning items could be bought from more than one outlet.

A school's uniform policy would also be expected to be gender-neutral.

THREE people have so far been gored during the bull runs at the annual Feast of San Fermin festival in Pamplona, northern Spain.

Officials say those with serious injuries are two U.S. citizens, aged 23 and 46, and a Spanish woman, and all three are being treated in hospital.

One of the thrillseekers ended up gored in the ARSE by a raging bull as it hurtled through the narrow streets of the ancient city.

Soaked

Two others have been taken to hospital with head injuries and a total of 48 others treated by the Red Cross so far.

The festival kicked off on Saturday at midday with the traditional 'chupinazo', in which revellers wearing red and white were soaked in sangria.

The half-mile runs with bulls will take place every day until Sunday.

Mole who leaked Ambassador memo faces LIFE in prison

By COLIN HURST
news@sundaysport.co.uk

THE mole who leaked a secret diplomatic memo – in which the UK ambassador to Washington DC called Donald Trump "inept" – may be guilty of TREASON, experts believe.

The memo, from Sir Kim Darroch to his Foreign Office bosses in London, has caused a diplomatic storm and led to the US President firing off a series of furious tweets.

And legal experts say that by potentially damaging relations with our closest ally, the leak could be an act of treason – punishable by LIFE in prison.

One legal expert said: "This leak is catnip to the Russians and the Chinese – they'll be rubbing their hands in glee."

"By giving our enemies comfort, this leaker has committed treason. In days gone by, they would have been hanged. Former ambassador to Washington, Sir Christopher Meyer, said there was a "possible range of villains" who could be responsible for the leaking of the memos.

Pompous

"It was clearly somebody who set out, deliberately, to sabotage Sir Kim's ambassadorship, to make his position untenable, and to have him replaced by somebody more congenial to the leaker," said Sir Christopher.

And Mr Trump weighed in by branding Sir Kim a "pompous

fool" in a bizarre series of tweets.

Mr Trump said: "The wacky ambassador that the UK foisted upon the United States is not someone we are thrilled with, a very stupid guy."

"He should speak to his country, and Prime Minister May, about their failed Brexit negotiation, and not be upset with my criticism of how badly it was handled."

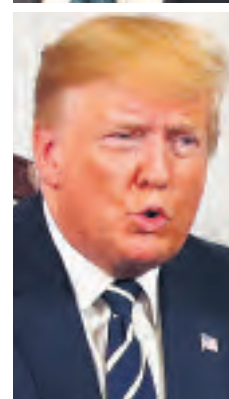

"I told Theresa May how to do that deal, but she went her own foolish way – was unable to get it done. A disaster!"

"I don't know the ambassador but have been told he is a pompous fool."

"Tell him the USA now has the best economy and military anywhere in the world, by far, and they are both only getting bigger, better and stronger."

"Thank you, Mr President!"

Fish shop has had its chips

A FISH and chip restaurant has closed its doors after deciding "there's not plenty more fish in the sea".

The Fish And The Chip in Leicester has gone vegan and displayed a poster in the window saying it was "not comfortable" with the impact the business was having on the environment.

The owners said an "eye-opening" fishing trip had shown them the impact pollution was having on the oceans and fish stocks.

They have now said they are committed to making gluten-free and plant-based food.

CORBYN BACKS 2ND REFERENDUM

JEREMY Corbyn has called on the next Tory leader to hold a second referendum before taking Britain out of the EU – and said Labour could campaign for Remain.

Following a meeting of the shadow cabinet at Westminster, the Labour leader (left) said that whoever wins the Conservative leadership race should have the confidence to put any new deal they negotiate with

Brussels – or no-deal – to the public.

The move follows weeks of wrangling within the party over its position on Brexit – which was widely blamed for its dismal showing in the European elections.

In a letter to party members, Mr Corbyn said: "Now both Tory leadership candidates are threatening a no-deal Brexit – or at best a race to the bottom and a

sweetheart deal with Donald Trump.

"Whoever becomes the new prime minister should have the confidence to put their deal, or no-deal, back to the people in a public vote."

"In those circumstances, I want to make it clear that Labour would campaign for Remain against either no-deal or a Tory deal that does not protect the economy and jobs."

ITV bosses fear nookie drought may hit viewing figures

THEY put the brakes on Love Island sex in the wake of the #MeToo hysteria...

But now ITV2 bosses fear they've gone too far this year and there's NOT ENOUGH sex – leaving lusty viewers feeling short-changed! *Love Island* is suffering its worst sex drought in years as none of the couples in the current series have done it yet and there's just three weeks to go.

The show is known for keeping fans entertained with the saucy goings-on between the sheets, but this year there's been no nookie at all.

Despite Tommy and Molly-Mae getting close this week, the show has seen less sex than a Mormon knitting circle.

In previous years, romps happened within the first three weeks.

Deed

Megan Barton Hanson and Eyal Booker were the first couple to do the deed last year when they jumped into bed together in week three.

In 2017, Jess Shears and Dom Lever became the first to get down and dirty, on week two.

Most couples tend to wait until they get into the hideaway to shag, but this year there's been a distinct lack of action in the love nest.

By GRACE HOOPER
news@sundaysport.co.uk

Amy and Curtis were the first pair to go in, but they just cuddled.

It was then Maura's turn to go in with Tom – but they had a fiery row on their way to the room and she refused to go in with him.

An ITV source said: "For all that people say they are watching *Love Island* – to see all the fascinating interplay between contestants – in reality, they just want to see SEX."

"Nothing salacious mind – no 'see it going in' stuff. But we hope to have at least a bit of sex before the end of the series, or else audience figures will suffer."

COLEEN'S F**K BUDDY WISH

CHEEKY Coleen Nolan says she's after COCK – following her split from husband Ray Fensome last year.

The *Loose Women* regular, 54, revealed she didn't want to get married again, but she wouldn't mind some male company.

She said: "I don't want to get married again. I just want to meet someone I can have a lovely relationship with."

"I'd like to be with someone who has his place and I have mine and when we want to see each other we do, and when we don't we don't."

"A friend with benefits!"

Robinson 'encouraged vigilantes'

TOMMY Robinson encouraged "vigilante action" against the defendants in a criminal trial when he filmed them and broadcast the footage on social media, High Court judges have found.

The former English Defence League founder, whose real name is Stephen Yaxley-Lennon, was found to have committed contempt of court at the end of a two-day hearing at the Old Bailey.

Dame Victoria Sharp and Mr Justice Warby found Robinson was in contempt in three respects when he filmed men accused of the sexual exploitation of young girls and live-streamed the footage, in breach of a reporting ban, outside Leeds Crown Court in May 2018.

Dame Victoria said the words Robinson used in the video would have been understood by viewers as "an incitement" to harass the defendants.

Robinson (above), 36, from Luton, Beds, is expected to be sentenced on tomorrow.

Lags' joy at endless toast and porridge

PRISONERS can now tuck into unlimited TOAST and porridge every morning.

Rather than waking up to a 'breakfast pack' of cereal, UHT milk, and bread and margarine, inmates at HMP Lincoln can scoff as much toast and porridge as they like...

Lags in jails across the UK often complain that meagre breakfast packs are handed out the day before, with most wolfing them in the cells before going to bed.

In a report out by inspectors this week, however, it was revealed there were hardly any complaints about the food at the 700-capacity jail in Lincolnshire.

It said that the only regular complaints were about the breakfast packs - but that: "Prisoners often make favourable comments about the food at Lincoln."

DANISH BLUE!

Fans strip for nude sprint

IT'S not just the top rock acts that get 'em flocking to Denmark's Roskilde Festival...it's also the bare boobs and MINGES!

Held at the festival annually since 1999, the Naked Run quickly became one of its traditions, with the winners being awarded tickets to the next year's event.

Intimate

Male and female rock fans shed their clothes to participate in the run, using nothing but body paint to preserve their modesty.

This year, revellers flaunted their creativity, with some women painting handprints on their breasts and hearts and flowers over "intimate areas".

Roskilde is one of the largest music festivals in Europe, created in 1971 and held annually since then.

Metal band shocked by blowjob in crowd

METAL band Behemoth frontman Nergal says he caught two fans performing a sex act in the mosh pit while the band performed on stage.

Video captured at the band's Roskilde gig in Denmark shows a woman giving a man a blowjob while given a wide berth by the rest of the crowd.

Writing on Instagram, Nergal said: "Yesterday we wrapped up a festival season at the legendary Roskilde Festival. The show was really good, pretty tight and with a passionate response from local Viking squad."

He added: "I'm happy to see ANY reaction to our music really. I'm good with anything but indifference. I'm OK with a lil dose of violence, people throwing pieces of their wardrobe, ppl flipping me off, bullying me, girls showing titties... it's ALL good! "But in my almost 30

'Scared' Bebe: Mom hates my badmouth song

BEBE Rexha has said her own mother DESPISES her new expletive-laden song.

Mama delves into darker subject matter than the American singer's previous work.

Bebe (above) said: "My mom absolutely hates the song. She's like 'I love all the melodies, but the lyrics, I don't like them'."

"I think as long as you're honest with yourself, there's nothing else to lose, because at least you're being real with yourself."

Rexha has said her creative departure into darker material has got herself worried.

She said: "I'm scared. The song I'm about to put out is very insane. I think I say the word... I don't even want to say it."

"Any bad word you can think of is probably in there. But it's very f**king real."

Naked row with police girl in court

POLICE who attended a domestic were shocked when a naked woman started yelling at them.

Blackburn magistrates heard Kelly Ann Noone, who was heavily intoxicated, appeared naked at the bedroom window shouting at officers and her partner.

Noone, 34, of Burnley, admitted a breach of the peace and was bound over to keep the peace for six months.

Malcolm Isherwood, prosecuting, said the partner told cops Noone had attacked him and he'd restrained her.

"When officers arrived he was restraining her on the floor and it was clear she was very drunk," said Mr Isherwood.

"They went outside to speak to her partner and she took the opportunity to lock them all out of the house before appearing naked at a window."

BRITAIN'S TOP DOGGING SPOT MADE WORLD HERITAGE SITE

BRITAIN'S top dogging site has been handed a top international award.

Jodrell Bank Observatory – the home of pioneering science about the stars – has been declared a Unesco World Heritage Site.

But the world-famous facility, near Macclesfield, Cheshire, is also the UK's number one hot spot for those who love X-rated outdoor shagging sessions.

Regular dogger Rachel Saris, 32, says she's had DOZENS of men pointing their telescopes skywards as she bent over her car bonnet!

We revealed six years ago how the observatory – famed for tracking meteors – had become a mecca for al fresco fornicators.

But prolific dogger Rachel – who runs www.rachelreveals.co.uk – insisted: "The area around Jodrell Bank is a perfect dogging territory – it's a maze of narrow country lanes and wooded areas."

Prestigious

The observatory has been at the forefront of astronomical research since its inception in 1945 and tracked US and Russian craft during the space race.

The site is dominated by the landmark Lovell Telescope.

It now joins the ancient Iraqi city of Babylon, the Great Wall of China, the Taj Mahal and other locations that have been added to the prestigious list.

The UN World Heritage Committee is meeting in Azerbaijan until July 10 to decide on the latest sites to be given the honour – awarded to areas considered to be

important for the whole of humanity, which will be protected by international treaties.

Scientific research began at Jodrell Bank Observatory in 1945 when the physicist Sir Bernard Lovell came to the University of Manchester.

The site pioneered the then new science of radio astronomy, which used radio waves instead of visible light to understand the universe.

Professor Teresa Anderson, director of the Jodrell Bank Discovery Centre, said: "This is wonderful news and a great day in the history of Jodrell Bank."

"It honours the pioneering work of Sir Bernard Lovell and the early scientists here, together with the world-leading research that continues to this day."

One dogger said: "We feel that this award vindicates our lifestyle."

SOLDIER SPUNKED ON STUDENT'S SOFA

A FORMER commando who burgled student flats was caught on CCTV making himself at home – even watching pornography and masturbating during the bizarre raid.

Connor Alexander forced entry to the block in Newcastle in the early hours of the morning and helped himself to food and appeared to start dancing in footage of his unusual antics.

A court heard that during the break-in at Winn Studios, in Shieldfield, Alexander urinated on the floor and created a £100 cleaning bill on a sofa while watching porn.

He also made a mess on the floor by throwing food around in the communal area as the students who lived there slept.

Alexander was arrested after returning to the block later that day to sleep under some stairs.

At Newcastle Crown Court he pleaded guilty to burglary and admitted another break in a couple of hours earlier at a student house in Heaton, during which he was confronted by occupants who heard him creeping around their home.

Jailing him for 20 months, Recorder John Bate-Williams said in relation to the Winn Studios offence: "You threw food around, urinated on the floor and behaved in a disgusting fashion while watching pornography on the communal TV and caused £100 of damage to the sofa, which you soiled."

Now the 22-year-old, of Jesmond, who has amassed more than 50 convictions in three years since leaving the armed forces, has now been locked up.

Jagger takes pop at plane crazy Trump

ROCKER Mick Jagger poked fun at Donald Trump after his gaffe about airports.

The president was widely mocked after claiming the US army had seized airports during the American Revolutionary War in 1775 – more than a century before the invention of the plane.

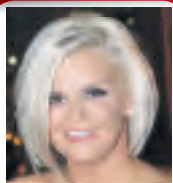

He blamed the error in his Independence Day speech on a faulty teleprompter.

Sir Mick, 75, wished the Rolling Stones crowd at the Gillette Stadium, Massachusetts, a happy July 4th weekend during their gig there on Sunday, adding the date had always been a “touchy holiday for us Brits”.

He said: “The president made a very good point in his speech the other night. If only the British had held on to the airports, the whole thing might have gone differently for us!”

The Rolling Stones are currently on their The No Filter Tour of the US.

'SHE KICKED ME IN THE BOLLOCKS'

DENIAL:
Jacqueline Rogers

Court told twerking rum-binge mum showed buttocks

A DRUNKEN carer twerked and flashed her thong to fellow party guests before booting a host in the “bollocks”, a court has been told.

Jacqueline Rogers, 46, allegedly necked a large quantity of Jamaican rum punch before kicking Austin Sargeant in the privates and spraying bleach at Dennis Palmer, at the 21st birthday party in Crouch End, North London.

Giving evidence, the mother of the birthday girl, Patricia Nugent, told jurors that as the night progressed Rogers got “sexually provocative with the male guests”.

She said Rogers had been drinking Guinness mixed with “60-70 per cent proof rum” and started “twerking and showing her thong” to the male guests.

Ms Nugent added: “She had a short dress on and a thong. She was twerking on the floor and her legs went up and you could actually see her buttocks.”

Rogers claimed she was attacked and left with a black eye at the party.

Punched

Her barrister, Mr Jeminipe Akin-Olugbade, asked Ms Nugent: “When she opened the door was it Mr Sargeant or Mr Palmer who punched her?”

Ms Nugent replied: “It was neither of them.”

“She disrespected my home, my family, my daughter’s 21st party. She transferred bleach into a Fruit Shoot bottle so she could squirt it more proficiently.”

Giving evidence at the Old Bailey Mr Sargeant, the dad of the birthday girl, claimed he tried to diffuse the situation but Rogers reacted angrily. From the witness box he pointed at Rogers and

By COLIN HURST

shouted: “She kicked me in the bollocks!”

Mr Akin-Olugbade suggested the charges she faces are all part of a “ruse” by the hosts of the party after Rogers was given a black eye and a burst lip.

However, Mr Palmer denied this, adding: “No disrespect, but I think you’re playing games with me and I am not in the mood.”

Mr Akin-Olugbade asked him: “You didn’t become part of a cover-up, saying that you had bleach chucked in your eye, when you hadn’t?”

Shaking his head, Mr Palmer replied: “You are totally wrong.”

Mr Sargeant told the court when Rogers came to the door with the bleach, he slammed it in her face and it may have hit her arm or body.

Mr Akin-Olugbade asked: “You slammed it hard?”

“Very hard,” said Mr Sargeant, adding: “I’d never lay my 10 God-given fingers on a woman.”

Rogers, of Hornsey, denies administering a poison or noxious substance with intent and possessing an offensive weapon.

The trial continues.

Sturridge in plea for his stolen dog

FORMER Liverpool striker Daniel Sturridge is appealing for the return of his dog after he said the pet was stolen from a house in Los Angeles.

Sturridge, 29, who is without a club after being released by the Champions League winners this summer, posted a video to Instagram yesterday showing a broken glass door, which he said was where thieves broke in and took his dog as well as a number of bags.

He said in the video: "Somebody's broke into the house in L.A. took my dog from the house. Listen, whoever knows who broke into my crib, I'll pay you anything. I'm dead serious. I wanna know who took my shit. I wanna know what's went on. I wanna know why they've took my dog. I wanna know why they've took bags from upstairs. I want to know what the f**k's going on."

In a separate post, he shared what appeared to be CCTV footage of a group of men in black hoodies outside the home in West Hollywood.

THE BIG BOOBS THAT LEFT BORIS SPEECHLESS

Katie's flash for Tory PM hopeful

By GRACE HOOPER news@sundaysport.co.uk

THESE are the boobs that left Tory bigmouth Boris Johnson SPEECHLESS.

As we reported in *Weekend Sport* on Friday, superstar Joan Collins said that a mystery TV star had flashed her boobs for BoJo.

And it emerged over the weekend that the boobs involved belonged to Katie Price!

Glamour girl Katie flashed her norks at the usually blabbermouthed Tory leader candidate at a dinner party hosted by a Russian billionaire at his Italian villa, it was reported.

Boozy

The model is said to have bared her boobs at the boozy VIP gathering after she was flown to Umbria by private jet.

Stunned fellow guests said the whole table fell silent before Katie was escorted away and was not seen again for the rest of the weekend.

Mum-of-four Katie, 41, was among high-profile figures invited by Evgeny Lebedev – owner

of London's Evening Standard newspaper – to his luxury pad.

An observer said Katie took advantage of free-flowing champagne on her flight to Italy – downing “a couple of bottles of Bolly” – and then tucked into pure Russian vodka before dinner.

As we reported last week, Hollywood star Joan Collins, who was a guest at the bash, said:

“At a dinner party once, I sat opposite Boris Johnson, who was seated next to a buxom reality star.

“She was so proud of her massive new chest that she asked the gentleman on the other side of her, ‘Would you like to see my new boobs?’

“He looked frightfully embarrassed but was too taken aback by the question to reply, whereupon the lady forced the point by whipping her off-the-shoulder top down to her waist.

“He merely glanced, frowned uninterestedly and returned to his discussion.”

SKY BET AD RULING REVERSED

A RULING banning a TV ad for Sky Bet for suggesting those with a knowledge of sport were more successful at gambling has been reversed following an appeal.

The advert, broadcast in August last year, was narrated by football presenter Jeff Stelling, who said: “Spark your sports brain and roll all the possibilities into one bet... how big is your sports noggin?”

The Advertising Standards Authority upheld two complaints about the ad in March, ruling it placed strong emphasis on the role of sports knowledge in

determining betting success and warning Sky Bet to ensure in future its ads did not condone or encourage gambling behaviour that was socially irresponsible.

However, it has now reversed the decision following an independent review, saying it did not consider that the ad irresponsibly exaggerated the role of sports knowledge in successful betting.

Sky Bet said the ad made no reference to knowledge increasing the chances of winning but knowledge of a specific sport would increase a chance of success.

REALITY telly WAG Tanya Bardsley knows how to keep her hubby on the straight and narrow – she says she'd cut his KNOB off if he cheated on her!

The former glamour model, who is wed to Burnley defender Phil Bardsley, admits she would never put up with her fella playing away.

The Real Housewives of Cheshire star Tanya, 38, said: "I'm an insecure, psycho, jealous wife when I've had a drink."

"I think Phil is too scared of me to cheat."

"I'd chop his bits off, slice them up and feed them to him!"

Gorgeous Tanya, who was one of FHM's original High

Street Honeys, admits she does sometimes get herself into trouble with her other half – by spending too much cash!

The 32D mum-of-two, originally from Wigan, confessed she splashes a lot of it on cosmetic surgery treatments which she keeps a secret from her hubby.

She said: "I've had my boobs done, chemical peels, fillers, veneers, lip injections – and I'm getting all-over laser hair removal, otherwise I'd be an ape."

"But I don't tell Phil I do all of this. I come home with a face full of needle marks and tell him it's an allergic reaction!"

IT'S AGENT CAR **TEAT!**

Marvel babe's hacking hell

STAR:
Hayley

By GARY DORAN
gary@sundaysport.co.uk

MEGA-BOOBED Marvel star Hayley Atwell has found herself caught up in a topless video leak scandal.

Internet hackers claim they have stolen a video of the *Agent Carter* beauty baring her huge left boob and have released the footage online.

The film shows what appears to be the 37-year-old lying in bed while miming to a song and baring her left knocker.

It was created using the app Dubsmash, which lets people take video selfies while lip syncing songs or dialogue from TV shows or movies.

But there is no proof it is the Brit scorching who played Agent Carter in *Captain America* and later went on to have her own telly series in the role.

It is possible that the internet monsters have digitally created the whole thing by editing Hayley's head on to another women's body.

If that is the case then she has fallen victim to a so-called Deep Fake attack – the technology

the app

involved in creating such videos is currently being debated in the US Congress.

A source close to the actress said: "It doesn't matter if this is real

footage or not. Even if it is fake it is a terrible thing to do to a person and it clearly violates their privacy.

"If it is real then it is a private matter and was never meant for private consumption.

"These people should be thoroughly ashamed of themselves."

Naked airport nut nabbed in security queue

A PASSENGER gave his fellow travellers an eyeful when he stripped naked in front of officials while trying to get through security.

The unnamed man stood starkers ready to be searched in Detroit Metro Airport's McNamara terminal as bewildered bystanders watched.

Airport spokeswoman Erica Donerson said: "He removed his clothing, disconnected a stanchion and approached a metal detector."

Police who were called to the scene determined the nude man wasn't a threat and he was hauled off to the loony bin.

No physical injuries were reported, but a witness who shot video and took a photo of the nude man and posted it online said he had "run through the airport naked".

PERV TOOK PICS UP OAP'S SKIRT

A SEX offender faces court after trying to take photographs up the skirt of a 66-year-old woman. Timothy Garr (*below*), 31, has been charged with "secret peeping" the pensioner.

The OAP told police officers that a man used his mobile phone to take a picture up her dress at a shop in Wendell, North Carolina.

She said she was able to get the man's car registration plate number as he left the store.

Garr was arrested and remains in custody because the charge against him is a violation of his parole.

Wendell police said they plan to look at Garr's phone to determine if photos on file indicate any similar actions that could warrant additional charges.

Garr is on the Sex Offender Registry following an April 2015 conviction for indecent liberties with a minor and indecent exposure.

He also has a second indecent exposure conviction, as well as 20 convictions for breaking and entering dating back to 2005, according to records.

SNOGGING BABES TOPLESS & BARE!

4-PAGE SPECIAL

 By GRACE HOOPER news@sundaysport.co.uk

SOAP legend Patsy Palmer had dads panting after she shared a sweet throwback picture of her kissing her ex-EastEnders co-star Martine McCutcheon.

The flame-haired actress, famous for playing Bianca Jackson on the BBC soap, called for her pal's character Tiffany Mitchell to be brought back from the dead.

The snap – which was taken back in the nineties when the pair were two of the biggest soap stars in the country – shows the friends sharing a peck on the lips.

And cheeky Patsy can also be seen slipping a hand down Martine's top and grabbing her boob.

LA-based Patsy, 47, who will soon reprise her iconic role as Bianca Jackson in the soap, posted the picture on her Instagram account and captioned it: "Maybe they should bring Tiffany back from the dead..."

The post thrilled Enders fans – but thrilled fans of ladies kissing even more.

We love ladies kissing – so here's four pages of topless stunnas locking lips!..

Man nicked as he pulls pud in woman's yard

A MAN was arrested for furiously masturbating in woman's garden after she said "no" to his offer to rake leaves.

Shawn Clark (above), 46, approached the woman on Sunday morning outside her home and offered to do yard work, police said.

The woman, who was with her dog, declined his offer but gave Clark a drink of water.

Clark left the woman's house, but then returned to the back steps.

From inside the home, the woman's daughter saw Clark having a tug and called cops.

When they arrived, Clark tried and failed to jump a fence and was arrested.

Officers said Clark's "shorts were unzipped and his genitals were exposed".

He was hauled off to the lock-up in Spartanburg, South Carolina, and charged with sexual exposure, among other things.

Nudist hurt in truck fall

A NAKED man was seriously injured after jumping out of the back of a moving truck.

Police say 34-year-old John Rodas, of Gardiner, New York, was taken to a hospital with a life-threatening head injury after Sunday's incident.

A driver told officers that a naked man had jumped into the back of his truck – only to jump out again when the van was moving.

FORENSIC time-solving. Traces of unidentified DNA or mystery fingerprints are now held indefinitely by investigators, hoping that one day they will prove to be the final piece of a jigsaw.

And it works, too – sometimes in breathtaking ways – looking at murders that, despite taking years to solve, the brilliant, painstaking work of police and forensics experts were able to finally lead the perpetrators to the prison cell.

Today, we look at how the finger of suspicion pointed at Yorkshire Ripper Peter Sutcliffe – until a DNA swab 33 years later revealed the true killer...

By JUSTIN DUNN

news@sundaysport.co.uk

murdered by Sutcliffe. Their view was marred because of the work of vile hoaxter John Humble, known as Wearside Jack, who wrote letters to West Yorkshire police pretending to be the Ripper.

In his first letter in 1978, he claimed "he" – as in the Ripper – had murdered Joan.

Written to Detective George Oldfield, it read: "I am sorry I cannot give my name for obvious reasons. I am the Ripper."

"I've been dubbed a maniac by the Press but not by you, you call me clever and I am."

"You and your mates haven't a clue that photo in the paper gave me fits and that bit about killing myself, no chance. I've got things to do. My purpose to rid the streets of them sluts."

"My one regret is that young lassie McDonald, did not know cause changed

routine that night. Up to number eight now you say seven but remember Preston '75. get about you know.

"You were right I travel a bit. You probably look for me in Sunderland, don't bother, I am not daft, just posted letter there on one of my trips."

"Not a bad place compared with Chapeltown and Manningham and other places. Warn whores to keep off streets cause I feel it coming on again."

"Sorry about young lassie."

"Yours respectfully
"Jack the Ripper"

Died

That despicable action by Humble – dubbed Wearside Jack because of his accent, which officers listened to on an infamous cassette recording he sent to them – meant her real killer would remain free from justice for years.

But in 2011, police in Lancashire believed they had finally solved the 35-year-old murder case thanks to advances in DNA evidence.

Detectives said DNA found at the scene matched not that of Sutcliffe, but of Christopher Smith, from Leeds, who had – sadly for investigators and Joan's family – died in 2008 aged 60.

The Crown Prosecution Service said police had enough evidence to charge him with murder if he were still alive.

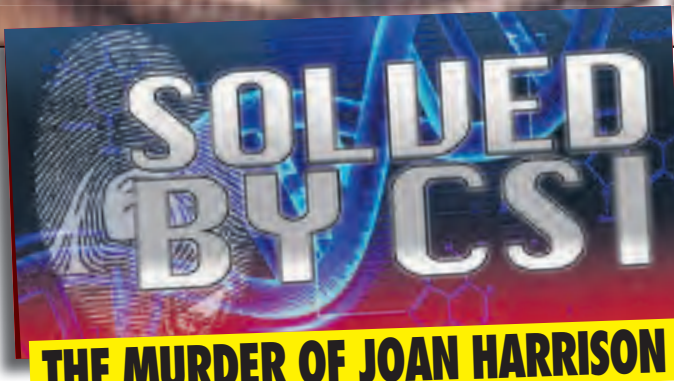

Joan was found dead in the garage in the Avenham area of Preston.

A bite mark was found on her breast and several items of jewellery were missing, including two gold wedding rings belonging to the twice-married victim.

Smith had a DNA swab taken when he was arrested for drink driving in 2008, but he died six days later from a terminal illness.

Investigations revealed he had criminal convictions ranging from assault and theft to sex attacks.

Police said a three-page note – written by Smith the day before he died – in which he seemingly admitted

They thought she had been killed by the Yorkshire Ripper...

WRONG MAN:
Yorkshire Ripper
Peter Sutcliffe

VILE HOAXER:
Wearside Jack (right) wrote letters to Det George Oldfield (above)

the murder was found at his home. The note read: "Two how (sic) ever it concerns I would like to put the record straight. I can't go on with the guilt. "I have lived with it for over 20 years. "I am truly sorry for all the pain I have caused to anyone. Please believe me when I say I am sorry. "I love my grandkids and my daughter. I cannot go back to prison anymore. Please God help my family who I worship.

Sorry

"I have been out of trouble for over 20 years so please God help me. "I am so sorry. God forgive me. I love you all forever."

It is understood he did not know his victim and may have come across her by chance after being released from a prison sentence he had served in the area.

Detective Chief Superintendent Graham Gardner, head of crime for Lancashire

Constabulary, said at the time: "Advances in DNA interpretation over the years has finally allowed us to identify Smith as the man at the scene of Joan's murder.

"That fact, coupled with other evidence we have gathered over recent months, has been sufficient to convince the Crown Prosecution Service that Smith would have been charged with her murder, had he been alive today."

Born Alexander Smyth in Derry, Northern Ireland, Smith is thought to have used at least 14 aliases – including his final identity – as he pursued his criminal career.

Det Chief Supt Gardner said Smith mainly committed petty thefts from his

late teens up until 1975 when Joan Harrison was found battered and raped in the disused lock-up garage.

His offending then became more violent and sexual. In 1981, he was jailed for two years and nine months for the attempted rape of a 17-year-old girl in the Manchester area.

Two years later he received a suspended sentence for the manslaughter of his first wife, Violet, after he was cleared of murder, arguing she fell onto a knife he held during a row.

His second wife later told detectives that he threw her out of a window when she was seven months pregnant.

Jailed

Smith moved to Newport, South Wales, at the age of 15, before later living in Bolton, Salford and Stoke-on-Trent.

The father-of-six, who was married three times, spent his latter years at various addresses in Leeds to be near his family when he fell ill.

By the time Sutcliffe was eventually caught and convicted in 1981, a total of 13 women had been murdered.

Humble was caught in a cold case operation in 2006 and jailed for eight years after admitting perverting the course of justice.

Having served his sentence, he is now aged 63 – and free.

VICTIM:
Sydney Loofe's body was found in bin bags

ROUGH SEX GIRL CUT INTO 14 BITS

A YOUNG woman whose body was found cut up into 14 pieces had been killed during "rough sex" after a Tinder date, a court heard.

The parents of Sydney Loofe, 24, became worried when she vanished after her date with 52-year-old Aubrey Trail.

More than a month later, she was found dismembered, stuffed into bin bags and dumped in a field.

Trail and his girlfriend Bailey Boswell, 25, were charged with murder.

During the former's trial this week, it emerged Loofe's body showed signs she had struggled prior to her death.

Sexual

But the defence lawyer argued that the injuries resulted from "rough, consensual sex".

He said Loofe agreed to participate with Trail in "sexual asphyxiation" as part of a fantasy that would be filmed. Loofe needed money at the time and she agreed to participate in exchange for payment.

The court heard Loofe met Boswell on Tinder before going on a date on November 14, 2017, and

planned a second one for the following night.

The cashier posted on Snapchat with the caption "Ready for my date" the next day but wasn't seen alive again.

Three women have testified at the trial in Omaha, Nebraska.

They all described how Trail made them call him "daddy" and how they engaged in group sex with him, Boswell and other women.

One woman said Trail and Boswell had a "killing bag" that included a sauna suit, hammer and pliers.

Trail, who has had a stroke and two heart attacks since his arrest, could face the death penalty if convicted.

SEX SHOP RAIDER CHOPPED UP WITH MACHETE

**Hero worker attacked
gunman with his chopper**

By COLIN HURST news@sundaysport.co.uk

A MAN armed with a Mad Max-style sawn-off shotgun nearly lost his arm after he messed with the wrong sex shop worker in a robbery gone wrong.

Tye Morris Luke, 47, of Knoxfield, Melbourne, Australia, was caught on CCTV carrying out the brazen attack on the adult shop Nite Moods.

Manager Craig Lamprell was behind the counter when Luke came in dressed in black.

Luke asked if they sold Xanax – a drug used to treat anxiety and panic disorders – but was told they do not sell it.

CCTV played in the County Court of Victoria showed Luke then pull a sawn-off shotgun from his jacket and point it at Mr Lamprell's head.

Hacking

But without blinking, Mr Lamprell pounced.

Footage shows the brave shopkeeper push away the shotgun before grabbing a machete from under the counter and hacking at the robber.

The court heard Luke grabbed the blade of the machete, slicing open his hand before flying backward in a flurry of blows from his would-be victim.

Luke has been charged with attempted armed robbery. He also faces charges of threatening to inflict serious injury, being a prohibited person with a firearm and cultivating cannabis.

He has pleaded guilty to each of the crimes and will be sentenced next month.

MILFs hired to get rhino horny

ZOOKEEPERS are hoping to get a shy rhino horny by introducing him to a pair of randy rhino MILFs.

The two older Indian rhinoceros females arrived at Dierenrijk zoo in Nuenen, the Netherlands, from a zoo in Berlin.

Narayani, 29, and Jhansi, 31, will be kept with two-year-old Gaiinda for two years.

And bosses hope that he can learn about the birds and the bees from the pair.

Zookeeper Stephan Rijnen said: "They do at times say that you have to learn it from someone mature."

But, for now, Narayani and Jhansi, who already know each other and have a good bond, are being kept separated from Gaiinda until they all get used to each other.

DIRTY Dani Maye has discovered she's got a new fetish – having her belly button licked.

The 26-year-old, from Kingston, Surrey, says she had no idea how horny it felt until a few weeks ago.

Now the 32F beauty says she can virtually orgasm from having a wet tongue in her naval.

She said: "I don't know why no one had ever licked my belly button before, but now I love it."

"It gets me so wet and I end up squirming until I'm demanding he puts his cock in me."

"I get so close to coming that when his hard knob slips inside me I orgasm immediately."

"It's amazing."

Hunt is on for X-rated bus girl

By REX ROWLANDS news@sundaysport.co.uk

THE hunt is on for a woman who allegedly made lewd comments and flashed her MINGE at the same bus driver two nights in a row.

The woman got on a 246 bus on May 31 just after 9pm.

Police said that during the trip the woman made lewd comments before flashing her fanny at the 32-year-old driver and jiggled her boobs for the bus's camera.

Lewd

She eventually got off the bus, but the next day got on the bus at the spot where she had disembarked.

The woman allegedly again made lewd remarks to the same bus driver a second time before getting off several stops later.

Police in Melbourne, Australia, have released pics of the woman who they are keen to nab for obscene behaviour.

One passenger on the bus said: "She might have been on the sauce. 'This is usually a dull trip but her fanny flash brightened things up!'"

Y-fronts nutter's carjack cop out

A MAN wearing nothing but his undies ran down a residential street before stealing a vehicle and driving himself to the POLICE STATION.

A driver clipped three stationary vehicles as he swerved to avoid hitting the 32-year-old man, then pulled up.

After the driver stopped his car in the middle of the road, the man jumped into the passenger seat.

The panicked driver scrambled out to get away from the near naked nutter, who then hopped into the driver's seat.

He then drove the stolen vehicle to the police station, beeping the horn for attention outside, said a police spokesperson in Hamilton East, Ontario, Canada.

Officers confirmed the man was due to appear in court after being charged with unlawfully taking a motor vehicle.

Police are making further enquiries into the circumstances of the early-morning incident.

Squirting dildo thief is hunted

A TATTOOED man caught stealing a dildo and a sex machine stand from an adult store is being hunted by cops.

The shop uploaded CCTV footage of the bizarre incident to their Facebook page showing the thief staring at a rack filled with adults-only accessories before making a break for it.

"This person was in such a hurry in his fresh (as f**k) pink kicks, he forgot to pay for a 7.5in squirting dildo and sex machine stand on his way out of our store!" the since-deleted post by the BeDaring Adult Shop in Caboolture, north of Brisbane, Australia, read.

Police confirmed that no arrests have been made and that their investigations were continuing.

FOOD FOR THOUGHT: Heather poses with male model

HEATHER LOVES DICK, MAN!

XXX-rated pics emerge as Macca's ex finds love

SIR Paul McCartney's ex-wife Heather Mills is dating a man 25 years younger than herself – and he's called Mike DICKMAN.

And with a surname like that, it's entirely possible that he's more than comfortable with Heather's X-rated modelling past.

In her flesh-flashing days, the busty blonde enjoyed saucy naked food fun – having strawberries and cream licked off her exposed norks for the camera.

The animal rights activist and ex-model was snapped in a string of horny scenes for a German sex book in 1988 – five years before she lost her leg when she was hit by a police motorbike.

In the book she is pictured licking a cream-covered cock.

Flirty

Heather, now 51, is said to have found love with film producer Mike after sending him flirty messages on a train journey between Kent and London.

At one point she slipped the 34-year-old her business card and a note saying: "I think you're hot. Email me."

And Mike must have thought Heather was damn hot, too, because now they're in a relationship, and have recently enjoyed a lavish break in the Italian region of Puglia.

A source said: "Mike was

By SIMON DEAN
simon@sundaysport.co.uk

sitting on his own having had a long, boozy lunch and Heather was sitting next to him playing a card game.

"Heather kept eyeing him up and just before the journey ended at London Bridge, she passed him a series of notes when her daughter wasn't looking. One said: 'I think you're hot. Email me.'"

On Monday, Heather won an undisclosed payout from the publishers of the former *News of the World* newspaper in the ongoing phone hacking court cases.

In 2008, she was awarded a £24.3million divorce settlement after her split from ex-Beatle Sir Paul.

FEDS WARN OVER HOLIDAY ORGY

YANK authorities have warned the controversial Sex Island trip – offering unlimited sex with 100 women – will be raided by police and could be shut down, when the drugs and alcohol-friendly vacation kicks off next month.

Previous incarnations of the orgy holiday have taken place on an island off the coast of Venezuela.

But this year the wild party will take place at an undisclosed resort in Nevada – the only US

state to allow some legal prostitution.

A group of 30 men – including 13 Brits – have reportedly bought tickets costing £4,600 each for the holiday, which starts on August 2.

Helicopter

Guests will choose two 'beautiful' women each day for the four-day party, which includes activities such as topless quad bike and horse rides and a

'sexual helicopter tour'.

But organisers The Good Girls Company were last week served with a warning from America's Drug Enforcement Administration warning that officers would raid the event and deport tourists if drugs laws were being broken.

Previous events have openly claimed to be 'drugs-friendly' and holidaymakers have told how illegal drugs including cocaine and LSD were freely available.

THE WORLD FAMOUS
AGONY
Page

Dear Bexi,

MY secretary is 21, with long, blonde hair and a fantastic body and every Monday morning in the office I get all the details about her filthy one-night stands.

A couple of months ago I told her that it was my 40th birthday soon and laughingly asked her for a blowjob to celebrate.

To my astonishment, and delight, she said yes and added that she had been wanting to please me sexually for quite some time.

I was rock-hard as she sucked me off to completion in my office. Since then we have been shagging, too.

Now a regional manager's job has become vacant and she wants it. I don't think she's suitable, but she says if she doesn't get it I can't shag her any more.

What should I do?

FE, Tyneside

Bexi says...
PROMOTE her – you should be guaranteed plenty of office fun!

Dear Bexi,

I'VE just got back from a girls' holiday in Crete, where I had my first lesbian experience.

There were 20 of us in total but there were a few of the girls I didn't really know, friends of friends kind of thing.

One girl in particular caught my attention. She was blonde, with a body I'd die for, and had a really bubbly personality.

One night me and this girl got separated from our friends and somehow ended up going for a midnight walk along the beach.

The warm sea breeze and alcohol must have got to our heads because it wasn't long before we were kissing and caressing each other as the surf lapped against our feet.

I quickly came as she thrust her tongue in and out of my mouth and probed my vagina with her fingers.

Does this mean I'm a lesbian?

AM, Lincolnshire

Bexi says...
NOT at all. Just put it down to a holiday romance.

Hotel guests complained about our sizzling romps

Dear Bexi,

I'M a pretty fit 50 and my wife is 15 years younger than me and a real looker.

We have a very active sex life and I like to make sure my missus is completely satisfied.

I would hate to think she wasn't pleased by me in the bedroom, because it worries me that she might find another younger bloke to shag instead.

Recently, we went on holiday to Majorca and stayed at a lovely hotel a pal of mine had recommended a couple of years ago.

We had a great time there – lounging by the pool during the day, going for candlelit dinners in the evening and then back to our room for red-hot sex sessions.

Unfortunately, we were in a room on the ground floor and a young family spotted us at it one night when we forgot to draw the curtains!

It wasn't the first time, apparently, and we got banned from the hotel after the manager had received a few complaints about our romps.

Is this right?

RS, Lancs

Bexi says...
JUST go to a different hotel.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week BEXI WILLIAMS has been reading through your letters. And here's her advice for you...

My well-hung hunk is a shooting star!

Dear Bexi,

I'VE been reading reports that say blokes these days have got a low sperm count and that even the fluid the sperm is in is in short supply.

Well, I don't know what they base their figures on, or where they did their research, but they should have come round to check out my fella.

When it comes to shooting out a load, then my man is the best I have ever been with.

Going down on him and giving him oral is definitely one of the best treats of my life.

I always look forward to climbing into bed with him and getting my lips round his tasty cock.

Not only is it very tasty, but he lasts

one hell of a long time – and when he does finally shoot his load, then there is no shortage at all.

The thick, delicious jizz seems to spurt from him forever and a day.

I have loads of orgasms as it smotheres my face and have even more when I use my fingers and wipe the creamy stuff from my face and then give my fingers a good sucking.

Juicy

Then, of course, it's his turn to provide me with some tongue action and he's certainly an expert.

First, he spreads my thighs wide while I pull my juicy pussy lips apart for him.

Then he laps at my aching quim for ages while I diddle my hard little love-button to bring on even more shattering orgasms.

This gives him time to get his strength back and soon he's on top of me, pumping that magnificent tool

deep and hard inside me until he comes all over again.

So I reckon the researchers have it all wrong. What do you say?

WJ, Essex

Bexi says...

I say lucky you!

Dear Bexi,

I RECENTLY had my head shaved and the girls at work love rubbing my smooth bonce.

I got a hard-on when one was doing it and she told me to go for a tug.

What shall I do?

HS, Birmingham

Bexi says...

ASK for a handjob!

Hot babe made me gush in park bush

Dear Bexi,

ISN'T it just amazing how a little bit of sunshine seems to bring all the nice women out?

The other day I went for a walk in the park and couldn't believe the number of horny babes in short skirts.

At one point I didn't know which way to look, but then one particular lassie caught my eye.

She was a blonde stunner with a body to die for and was wearing a tiny tartan skirt and knee-length boots.

Now I regard myself as a bit of a smoothie with the ladies and it wasn't long before I grabbed her attention.

We sat down on the grass and my tongue was soon down her throat.

After a few minutes of hoovering each other's faces, I suggested we sneak off into one of the bushes.

She was up for that and quickly had my trousers down to my ankles before dropping to her knees to suck on my cock.

I was soon ready to explode, so I bent her over and f**ked

her doggy-style.

When we'd both come, the saucy minx just put her knickers back on and walked off without saying a word.

What do you think about that?

DG, Glasgow

Bexi says...

YOU copped off lucky, pal. But I'd be a bit careful about picking up strange women in parks.

Dear Bexi,

I WAS enjoying a blowjob from a barmaid behind the pub beer garden and I was certain no-one could see us.

But just as I came on her 34DDs, I'm sure I saw the missus looking over the wall.

She hasn't said anything – yet – but she is being very cool towards me.

What should I do?

DS, Norfolk

Bexi says...

SAY nothing and pray it wasn't her.

Dear Bexi,

I HAVE this crazy fantasy and I just have to share it with you.

It starts off where I am naked in a garden and have cream rubbed into my breasts and jam smeared generously over my erect nipples.

I then want a thick carrot pushed deep into my juicy fanny by another woman.

She masturbates me with it, slowly building up the power and speed until I have a massive and uncontrolled orgasm.

While she is working the carrot in and out of my aching pussy, I have this man come along and lick the jam off my tits.

He then pushes his hard prick between my eager lips and I suck him off vigorously until he shoots his thick wad of hot jizz down my throat.

Nobody says a word, it's just raw lust as we roll around in a sticky mess of sweat and love juice.

After we have all been satisfied, the other two get dressed and go their separate ways.

Is this an odd thing to wish for?

JO, Somerset

Bexi says...

THAT rather depends on what type of jam you're considering. My favourite is blueberry.

LINSEY DAWN MCKENZIE

By SIMON DEAN simon@sundaysport.co.uk

AUGUST 7, 1978, is a date that will go down in history – because it's the day that glamour legend Linsey Dawn McKenzie was born.

Stunning Linsey – who has 34GG boobs – was an immediate sensation when she first went topless in *Sunday Sport* while still a teenager.

In fact, the paper ran a countdown leading up to the day she could legally pose topless!

Since then, Linsey has appeared in Britain's favourite glamour paper TENS of thousands of times and became our No.1 glamour babe.

Celebrity

Whenever she did personal appearances, Linsey, from Middlesex but now living in Epsom, Surrey, was mobbed by boob fans, desperate for signed photographs.

She has attained celebrity status in the UK and appeared on a number of television programmes – including *They Think It's All Over, I'm Famous* and *Frightened!*, *The Weakest Link* and *Celebrity Four Weddings*.

She also appeared in documentaries about the lives of glamour models.

Linsey was also a fave in top shelf mags and in 2000 she went the whole hog and did her first **HARDCORE** movie – which was an instant smash.

Linsey still does adult TV work and fans can keep up to date with her through her own website www.linseydawnmckenzie.co.uk

EDITOR'S PICKS OF THE DAY

Everybody loves a greatest hits collection and when you're Ben Dover you've got a mountain of classic scenes to call on. Here's well over two hours of top Ben Dover action in **Ben Dover's Housewives & MILFs**. Concentrating on Ben's love of older women, there are some cracking scenes here from the very best of his late 90s and 2000s classic films.

And there's more classic Brit porn action from the early 2000s in **Best Of British Retro Sluts 4**. Nearly two hours of fine English action that hasn't been available on DVD for some time. Watch these gorgeous lasses take it every which way from their eager studs!

GET down to yer nearest PRIVATE SHOP for the sex offer of the year!

It's one thing for stores to sell-off their older stock to make room for new releases but we've done a deal with Britain's biggest and best adult shopping chain to bring you ALL June's top new release titles at a **THIRD OFF** the already low price.

All titles are available exclusively to **Midweek Sport** readers at just £20 each! Remember, these are brand new R18 titles from the top studios and leading directors and can sell for as much as £50 each.

R18 is the certification awarded to hardcore pornography in the UK and these titles are only

available to broad-minded over 18s from licensed sex shops like the **Private Shops** chain.

You can't buy genuine hardcore from mail order so you'll have to go to one of the shops. But as there's over 100 across the UK there should be one close to you. Just have a look at the list below.

Choose from any of these amazing titles from June's releases including **Explosive Dildo And Fisting Power Action 14**, **Tinkle Time 5**, **Barbie Sins Sex Addict**, **Disciplined Teens 1**, **Old Ass Hardcut 2**, **F*** My Old Ass Hardcut**, **Grandmas Gone Black 6**, **Ben Dover's Housewives & MILFs**, **Busty Cock Worshipers Hardcut 11**, **Best Of British Retro Sluts 4**, **Girls And Their Boys 43**, **Angels 3**, **Precious Moments 2**, **Girl Girl Sex 272 & 273**.

#MY SEX FANTASY

...WITH EMMA
SPELLAR, 34
32DD-24-35
FROM WOODFORD,
NE LONDON

I GET so turned on by touching myself in front of a bloke.

The first time I did it, it felt really naughty and so taboo – and now I do it quite a lot!

I think guys find it really sexy when a woman has the confidence to give themselves an orgasm in front of their lover.

And it takes the pressure off them too!

I love masturbating myself while having sex with me on top.

And I haven't tried it yet, but I would love to touch myself while on camera.

Doing it on webcam would be super horny.

It's all about letting your inhibitions go, doing something you would normally do in private.

I also find it super hot to see a guy wanking.

I love it when a guy squirts all over my boobs or face.

I love to play with myself as I'm on top having sex

HANNAH CLAYDON

ACCOUNTANT Henry Dryden studies numbers for a living – but there's one number he rates higher than most and that's Hannah Claydon's 32D's.

The maths whizz, 46, spends his days totting up figures but he really enjoys the sight of Wakefield wonder Hannah, 32, when he can.

Henry, from Hull, said: "Everyone thinks accountants are dull and stiff but I get *really* stiff for Hannah."

"I'm a typical bloke and I love nothing more than ogling her bare boobs. Can I have another look?"

JODIE ORAM

BARMAN Kyle Radley has a penchant for blondes and says Jodie Oram is his ideal woman.

Kyle, 43, works in a bar in Glasgow, and although he spends his shifts mixing drinks, Swindon stunna Jodie is his perfect concoction.

Jodie, 32, caught Kyle's eye when he first saw her 34D bare boobs in the *Sport* and he's been hooked ever since.

He said: "Jodie has everything – the boobs, the body and the looks. She's a worldie – and I always say she's my perfect woman."

LYNSEY ATKINSON

BUTCHER Nathan Gallagher wants to serve up his own meat for glamour girl Lynsey Atkinson.

Nathan owns his own business in London and his shop is famous for its award-winning sausage, which the 50-year-old would love 34DD lovely Lynsey to sample.

Essex stunna Lynsey, 32, lives in Clacton – but Nathan wouldn't mind if the busty babe popped into his shop.

He said: "She's a cracker, is Lynsey. I'd love for her to sample some of our specials – and if she's lucky, she can taste my very own sausage treat!"

DANGER TO WRITE OFF AUSTRALIA

ENGLAND meet Australia at Edgbaston in tomorrow's second World Cup semi-final and it is the hosts who are 8/11 favourites at BetVictor with the Baggy Greens 23/20, despite the latter having run out emphatic winners when the sides met at Lord's last month.

Australia lost a high-scorer against a rejuvenated South Africa in their last group game at Old Trafford on Saturday and that defeat was enough to prevent Aaron Finch's side from staying in Manchester and a meeting with Trans-Tasman rivals New Zealand on Tuesday.

It has been suggested that defeat will have taken the wind out of the Aussie sails and they have been hit by injuries to Usman Khawaja – pulled a hamstring against the Proteas – and Shaun Marsh who had his arm broken by Pat Cummins in the nets.

That said Peter Handscomb and Matthew Wade are more than adequate replacements and the Australian management team of coach Justin Langer, skipper Finch and batting coach Ricky Ponting have a big decision to make regarding their batting line up.

Wade has been in magnificent form over the last 12 months and is playing in England on the Aussie A Tour. He or Handscomb for Khawaja might be a trade up, and I'm not convinced the loss of another injury concern, the show-pony that is Marcus Stoinis would be a huge loss although Mitchell Marsh, who would be his replacement, is hardly a world-class all-rounder.

Nod

England have won two vital tosses to beat India and New Zealand and it is fair to assume Finch or Eoin Morgan will bat if they win the toss in Birmingham.

We said at the start of the tournament that anyone backing England at 7/4 or 15/8 needed their head examined as they were likely to be a similar price if they reached the semi-final. England were indeed 7/4 joint faves with Australia – our tournament tip – 11/4.

It is difficult to be too dogmatic about the Aussie top bat until we have seen the team-sheet.

David Warner is obviously the best player and is in irresistible form, but it only needs one ball from Jofra Archer or Chris Woakes with the new ball and having put him up at 14s for top tournament runscore I will look elsewhere.

Finch has a sensational record against England, but so has Steve Smith and he gets the nod. It has not been a great tournament for Smith who is 29/10.

Many have written off the Baggy Greens since their defeat to South Africa at the weekend, but I can't desert my pre-tournament selection at the 11th hour.

All England v Australia games are big but, with a place in Sunday's Lord's Final at Stake, this promises to be something quite special.

Clubs chew over move for Suarez

TOOTHY ACE BEING EDGED OUT AT BARCELONA

LUIS Suarez could be up for sale this summer as Barcelona close in on Neymar.

The Brazil striker looks for a return to the Nou Camp after a couple of stop-start seasons at Paris St Germain.

Barca are still smarting from being knocked out of the Champions League by Liverpool last season.

They believe Suarez's days are numbered as their central striker and are lining up a massive Neymar deal.

He looks likely to be joined in Catalonia by Antoine Griezmann who is leaving Atletico Madrid.

Neymar has turned up the

By PAUL THOMAS

heat under rumours of a move by not showing up for pre-season training with the Paris giants.

A PSG spokesman said: "Neymar Jr was not present at the time and place required, without prior authorisation from the club."

"PSG regrets this situation and will take appropriate action."

Sporting director Leonardo admits that Neymar is keen to leave the club and head back to Barca.

He said: "It's clear to everyone he wants to leave. But in football, you say one thing one day and another the next."

I spoke to him and his entourage. The position is clear for everyone.

"Only one thing is certain: he is under contract with us for three years. And since we have not received an offer, there is nothing to discuss."

Selling

"We have not received any offers. But we have had, it is true, superficial contact with Barcelona."

"They said they want to buy him but that we are not selling. We have not seen that Barcelona are truly in a position to buy him."

"A move of this magnitude is not just a question of emotions. It's a financial question

Neymar can leave PSG, if there is an offer which suits everyone. But up to now, we do not know if anyone wants to buy him, or at what price. It will not be done in a day, that's for sure."

"PSG want to count on players who want to be here and build something big. We do not need players who are doing a favour to the club by being here."

Injuries have begun to take their toll on Suarez and his return of one goal in 10 Champions League outings last season has put him under pressure.

He is 32 now and Barca would be prepared to deal for as little as £50m should Neymar and Griezmann arrive.

POG ON HIS WAY OUT

But he's shown United respect booms agent

PAUL Pogba told Manchester United "a long time ago" that he wanted to leave the club this summer.

That's the admission of his agent Mino Raiola who insists that the France midfielder has been nothing but "respectful and professional" towards the club.

Many pundits expected Pogba to swerve the Reds' pre-season tour of Australia but he got on the plane with the rest of his team-mates as planned. Raiola says he is "in the process" of sorting out a move — with Juventus expected to be his next destination.

He believes United should not let fans and pundits slag off Pogba and should clarify what's going on. Raiola said: "The player has done nothing wrong, he has been respectful and professional in every way."

"The club knows his feeling for a long time, it is a shame other people only like to criticise without the right information and I'm also sorry that the club does not take any position against this."

"Hopefully there will soon be a satisfying solution for all parties."

Pogba returned to Old Trafford from Juventus three years ago but has failed to show the same form

in a red shirt as he did in Italy or when inspiring France to a World Cup win.

He was dropped by Solskjaer last season and the 26-year-old said this "could be a good time to have a new challenge somewhere else".

Pogba has been training as usual in Perth but footage emerged of him appearing to argue with Jesse Lingard.

Another wantaway Red — Romelu Lukaku — is also on the tour down under.

He has been told by Solskjaer that he will be playing second fiddle to Marcus Rashford next season.

The Belgian wants to join Inter Milan but the Italians are struggling to come up with a financial package that United are prepared to accept.

Cash

Australia is probably not the ideal place for Solskjaer to be at the moment as he looks to make at least three signings before the new season kicks off.

Harry Maguire remains at the top of his shopping list but it's gone a little quiet about the Leicester and England centre-back.

United are also leading the charge for Southampton midfielder Mario Lemina.

The 26-year-old plays in a similar position to Pogba and also arrived in the Premier League from Juventus.

The Saints are happy to cash in on the Gabon international and are open to offers — but none have so far been made.

They want more than the £18m they paid the Italians.

United are also preparing a move for Newcastle youngster Sean Longstaff as Solskjaer remodels his midfield.

EUROSTAR: Lennon

Hoops on European mission says Lenn

NEIL Lennon says it's a mark of Celtic's success that they have already played their first competitive match of the season.

The Hoops have been in Bosnia to take on Sarajevo in Champions League qualifying.

Making the group stages of the competition is a big goal for the gaffer who knows it is a long and winding road for clubs coming in at this early stage.

Lennon has already played and managed in the competition proper and believes going far is important for Celtic's status on the international stage.

It helps them attract better players as well as bringing in much needed revenue.

Lennon said: "It is very important. I have had experiences of it at Celtic before and for your development as a player and a manager and for the club, it means a lot."

"It is one of our main priorities, there is no question of that. We have eight games to negotiate if we can — almost a quarter of a season."

Brilliant

"We know it is a difficult road to travel but we know the rewards are great at the end of it."

"The Champions League and everything that comes with it is brilliant, but the hard work is getting there."

"These are the most difficult games. Champions League, when you get to the group stages, is fantastic."

"But the hard work is getting there."

"We could have had an easier draw."

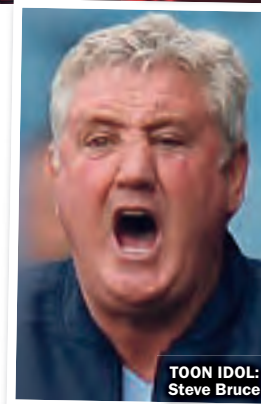

"Sarajevo are tough opponents over the two games but the guys know what the incentives are, they know what is at stake."

Meanwhile, Celtic are hoping to seal a deal for Ecuador under-20 midfielder Sergio Quintero. He caught the eye in the U20 World Cup in Poland earlier this summer as he starred in his nation's run to the semi-finals.

With Olivier Ntcham on his way out, Lennon sees him as a good signing.

Quintero said: "I'm thinking about a move to European football. I'm trying to be calm about it and take it easy."

"The representatives of Celtic have been in talks for some time with the president of my club."

TOON IDOL: Steve Bruce

BRUCE BACKED FOR TOON JOB

By ANDY MILLOM

STEVE Bruce is the latest manager being linked with the vacant Newcastle hotseat.

With time running out for the Toon, the former SUNDERLAND gaffer has been slashed to just 6/4 with the bookies.

He was a 50/1 shot on Monday but is now the hot favourite after a flurry of bets were placed.

It's puzzling because Bruce is currently in charge of Sheffield Wednesday having only joined them at the start of February.

Toon owner Mike Ashley is thought to prefer an unattached

boss so he doesn't have to pay any compensation.

All kinds of names are being linked with John Terry also the subject of a gamble.

He doesn't seem the likeliest of choices and his club Aston Villa have just come back up to the top flight.

He's No2 to Dean Smith there and would be a risky appointment.

One of Terry's former England colleagues — Steven Gerrard —

says stories linking him with St James's Park are just "fake news".

The Rangers gaffer was all the rage over the weekend with a series of rumours about him leaving Ibrox and following in the footsteps of his former Liverpool boss Rafa Benitez.

The 39-year-old said: "Fake news. Not that I'm aware of." Newcastle could do with getting a new manager in with just a month left until the new season kicks off.

They have just lost one of their key forwards in Ayoze Perez and

look desperately short up front without him.

Salomon Rondon has gone back to West Brom after a successful loan spell on Tyneside.

Between them the pair scored 25 goals that were vital in keeping Newcastle away from the relegation zone.

With no boss in charge, there is no way of adding to Dwight Gayle, who returns from West Brom, Yoshinori Muto and Miguel Almiron. That will surely not be enough to keep them in the Premier League.
